A Complete Security Solution for Tamper Resistant ID Cards

Adding unique security features to ID cards is easier, faster, more economical with Zebra's P640i. This next generation printer from Zebra delivers mission-critical reliability and superior affordability. Protect your ID cards from counterfeiting, alteration or duplication with the P640i's customizable levels of security. Zebra is one of the first manufacturers to offer an extended range of security options for all printing components - cards, ribbons, laminates and printers. When security counts, count on Zebra.

Use the P640i printer for:

- » Agency Licenses
- » High Security Access Control ID Cards
- » Law Enforcement and Correctional Facility ID Cards
- » Airport ID Cards
- » Any card application requiring long lasting, secure issuance of tamper-resistant ID's

Many "Best In Class" features:

- » Lowest consumables cost per card in the industry
- » Highest production output speed with continuous card loading feature.
- » Superior print quality for optimal color fidelity and precision details
- » Reliable and easy to use
