

Feature Comparison

| Feature | | Lite | Standard | Professional | Bureau Workstation |
|---------------------------------|--------------------------------------|------|----------|--------------|--------------------|
| Card Design Features | | | | | |
| Picture | 1 | * | * | * | * |
| | 2 + copies | | * | * | * |
| | ghosting | | | * | * |
| | 2 sizes + custom | | | * | * |
| User text | single line | * | * | * | * |
| | invisible option | | * | * | * |
| | multi line | | | * | * |
| | word wrap | | | * | * |
| | linked fields | | | * | * |
| | rotating text | | | * | * |
| | auto font resize | | | * | * |
| | | | | | |
| Fixed text | single line | * | * | * | * |
| | multi line | | | * | * |
| | wordwrap | | | * | * |
| Graphics, logos etc. | single | * | * | * | * |
| | multiple | | * | * | * |
| | ghosting | | | * | * |
| | file variable by data | | | * | * |
| Barcodes | single | * | * | * | * |
| | multiple | | * | * | * |
| | variable size | | * | * | * |
| | text visible | | * | * | * |
| | all main types | 2 | * | * | * |
| | composite data | | | * | * |
| | rotated 90 deg. | | | * | * |
| | obscured | | | * | * |
| Graphic shapes | 4 shapes | | * | * | * |
| | colour variable by data | | | * | * |
| Magnetic encoding | 3 tracks | | * | * | * |
| | up to 3 fields / trk | | * | * | * |
| | main printers | | * | * | * |
| | all printers | | | * | * |
| Thumbprint | 1 (instead of second picture) | | | * | * |
| Expiry date | auto calc. from any date field | | | * | * |
| Signature | Signed pad | | | * | * |
| | Image saved with picture or separate | | | * | * |
| Chip encoding | Interface available | | | * | * |
| | contact or contactless | | | * | |
| Postcode link | AFD Postcode | | * | * | * |
| (needs AFD software) | & Postcode Plus | | | * | * |
| Password protection of database | Optional | | | * | * |

Card Production Features

| | | | | | |
|---------------------------------|------------------------------|---|---|---|---|
| Image sources | TWAIN | * | * | * | * |
| | range of older cameras | | * | * | * |
| | Load from File | * | * | * | * |
| Database | Access | * | * | | |
| | Access 95/97 | | | * | * |
| | | | | | |
| Database search | by field | * | * | * | * |
| | nested searches | | | * | * |
| Batch processes | print | * | * | * | * |
| | upload | * | * | * | * |
| | delete | * | * | * | * |
| Search result processes | display | * | * | * | * |
| | compress to selected records | | | * | * |
| | print list | | | * | * |
| | refresh list | | | * | * |
| In box/out box | yes | | | * | * |
| photo gallery | yes | | | * | * |
| printing options | sheet fed printer | * | * | * | * |
| | PVC or paper | | * | * | * |
| | send to Bureau | | | * | * |
| | temporary card | | | * | * |
| | preview | * | * | * | * |
| encode function keys | yes | * | * | * | * |
| Universal Interface | optional | | | * | * |
| Password protection of database | Optional | | | * | * |

Utilities

| | | | | | |
|-----------------------|-------------------------------|---|---|---|---|
| data import | csv file | * | * | * | * |
| | SIMS school system | | | * | * |
| | Excel sheet | | | * | * |
| data export | to Excel | | | * | * |
| | to text, with photo file name | | | * | * |
| | to database | | | * | * |
| photo exporter/copier | yes, to named directory | | | * | * |
